Rubén Martínez Bernabe

Full-Stack Engineer / Java · Spring Boot · React / DevOps & Liferay

loc: Barcelona, ES mail: rmartbernabe@gmail.com tel: +34 601 20 69 53 web: rubenitx.me
in: /rubenmartinezbernabe gh: /rubenitx

Full-Stack Engineer specialised in the Java ecosystem, with a strong focus on high-performance backend systems. I build REST APIs and Batch processes with Spring Boot, client interfaces with React, and develop on the Liferay platform; closing the loop with Docker and Kubernetes. Clean architecture, pragmatic decisions, and software that ages well.

// 02 FEATURED

Software Engineer

Sept. 2022 – present

@ Egarsat | Sant Cugat del Vallès · Full-time · On-site

Backend with Java + Spring Boot: new feature development, REST APIs for inter-service communication, and Batch processes over large-scale data. Frontend with React and development on the Liferay platform as required. Containerised deployment and orchestration with Docker and Kubernetes.

[Java] [Spring Boot] [REST APIs] [Spring Batch] [React] [TypeScript] [Liferay] [Docker] [Kubernetes]

Software Developer (Internship)

Oct. 2021 – May 2022

@ Universitat Rovira i Virgili | Tarragona · Internship · Remote · 8 months

End-to-end development of the research portal «The Mutational Landscape of SARS-CoV-2» – from conception to deployment. Listed as co-author on the scientific publication derived from the project. → sarscov2-mutation-portal.urv.cat

[PHP] [TypeScript] [JavaScript] [SQL] [Bioinformatics]

EARLIER IT Systems Technician · BEEP Informàtica (Oct. 2019 – Jun. 2020) · Technical Instructor – Systems & Networks · Independent (Oct. 2018 – Jun. 2020)

> TECH STACK

BACKEND Java · Spring Boot · Spring Batch · REST APIs · SQL
FRONTEND React · TypeScript · JavaScript · Liferay · Tailwind
DEVOPS Docker · Kubernetes · CI/CD · Linux · Git
DATA MySQL · PostgreSQL · MongoDB
OTHER Python · PHP · Angular · Node.js
EXPLORING LLMs · Prompt Engineering · Smart Contracts

> EDUCATION

B.Sc. Computer Software Engineering

Universitat Oberta de Catalunya (UOC)

Feb. 2026 – ongoing
